Mr. and Mrs. Karl Aske
1865 Lakeview Terrace
Long Lake, Minnesota 55356

Dear Mr. and Mrs. Aske:

This spring I received calls from residents on Lakeview Terrace regarding storm water drainage problems.

After a review of a few of the properties, it has been determined that there has been pipes, tile, and concrete placed in the right-of-way, all of which is illegal.

It is our intent to remove all of those items and reestablish the drainage ways as they were constructed at the time of the development of the subdivision.

I need to meet with you at the site to determine the impact this will have adjacent to your property. Please call me at 473-7357 at your earliest convenience.

Sincerely,

John R. Gerhardson
Public Works Director
