☒ YES

NO

(please circle one)

Is the system functioning properly? N/A  
(ie slow drainage, wetness in the drainfield?)

Do you have any specific concerns or issues that you'd like to discuss with the SSTS Program Manager?

This system was installed in 1988. The house has been demolished. Tanks are being abandon by

Matt Sibbald Construction. A new system will be installed during new home construction. The builder  
said a New Design has already been done. Orono may have that already.

If so, please indicate best time and telephone number(s) to be reached between 8 am and 4:30 pm.
