COMMENTS: Two holes, one by the house
one towards the street along the
drive way. Starting by house - dug
by existing cleanout and lined
107' of 4" clay to the next hole
then added another cleanout with
a 58" piece of sch 40 pvc, then
lined the rest of the 4" clay, 14'6"
to the 6" pvc that connects to the
main.
