Good Afternoon, were you able to forward an acknowledgment of this request to the City of Orono regarding the address change to North Arm Drive? I had attempted the request however the City replied that it needed to come from the property owner. I have submitted the building permit application but it is on hold until this request/acknowledgment for the address change is completed.

Enjoy your Day!

Good afternoon Amy and Pat,

We need the request to come from the homeowner, or to at least have some kind of acknowledgement in writing that they want the address changed.

Katie
